Nine persons were injured and damage totaled \$4,750 in five auto accidents investigated by state police over the weekend.

Most seriously injured was Mrs. Rita Kissinger, 43, Lancaster, who suffered fractures of the pelvis and left arm when a car in which she was a passenger was in an accident six miles east of here on the Lincoln Highway at 5:50 o'clock Saturday evening.

Police said she was in a car operated by Beverly W. E. Helwig, 46, New Oxford R. 2, when Helwig sought to make a left turn in a side road in the path of a westbound auto driven by Joseph Henry Bennett, 37, Harrisburg.

New Oxford and Gettysburg firemen's ambulances brought the injured to the hospital here. Mrs. Kissinger was admitted while the other three were treated and discharged. Police estimated damage to the Helwig car at \$300 and to the Bennett vehicle at \$800.

Helwig was charged with driving while under the influence by state police before Justice of the Peace Anna Thompson here. He posted \$500 bail to appear for a hearing Friday morning at 11 o'clock before the justice. Queen Juliana Will Not Attend Wedding Of Her Daughter In Rome Church

TAKE APPEAL IN FIRING OF M. MASEMER

Mannard Masemer, deposed McSherrystown police chief, has appealed to the Adams County court from the order of McSherrystown borough council suspending him as a policeman and demoting him from chief to regular policeman.

Attorney John A. MacPhail, representing Masemer, this morning filed papers in the prothonotary's office, asking the court to permit the appeal from the decree of the McSherrystown borough council; asking the court to direct McSherrystown borough to file with the prothonotary a transcript of the testimony taken at a hearing before the council April 3, and asking the right to file additional reasons for the appeal within 10 days after the transcription of the hearing is filed.

FIRING "INVALID"

Attorney MacPhail alleged the action of the McSherrystown borough council in suspending and demoting Masemer was "invalid and arbitrary" for 10 reasons: That the charges filed against the officer March 9 were not written until March 25; that McSherrystown Mayor Edward DeChubell "had no authority to suspend" Masemer under the act of June 15, 1951; that the hearing held by council April 3 "was private although the law specifically required the borough council to hold a public hearing where a demand is made, as it was in this case"; notice of the meeting of borough council April 3 was not given, as required by the Act of 1951; the action of council in sentencing and demoting Masemer was taken in executive sessions; "many of the charges are so remote in time as to be no longer relevant"; testimony of witnesses for borough council "did not substantiate the charges"; Masemer: "in one instance a specific charge was admitted to be false"; the "hearing continued to such a late hour and was conducted under such circumstances that the rights of the petitioner were prejudiced"; (Continued On Page 2)

SOLDIER CLAIMS ASSAULT BY CAR

Borough police are investigating a report made by a Pottsville, Pa., soldier that six teen-age youths in two automobiles followed his automobile south on Rt. 15 and ran him off the road several times early this morning after he had left the Varsity Diner with two other soldiers.

Clair L. Bach reported the assaults to Officer John Law, Emmitsburg, who returned to the Varsity Diner with the soldiers in an attempt to learn the identity of the six youths who are reported to have started an argument in the diner with the soldiers and followed them when they left.

Bach told Law that the two autos forced him off the road several times between Gettysburg and Emmitsburg and at one point struck the side of his car with a wrench as they passed him.

He told police that one car was a 1957 Oldsmobile light tan hardtop. The other was a red and white 1959 Plymouth. Both had Pennsylvania license tags and the soldiers were able to obtain part of the license number on one of the cars. Police are investigating.

One soldier was struck on the way out of the diner.

Laos Coup Collapses; Fear U.S. Opposition

SAIGON, South Viet Nam (AP) - U.S. diplomatic sources said today the right-wing army coup in Laos had collapsed after one day. U.S. opposition to the coup apparently was a major factor.

"The situation is back where it was 36 hours ago," said an American diplomat who had been in contact with the U.S. Embassy in Vientiane, the Laotian capital.

He said reports were still sketchy, but that diplomatic dispatches from Vientiane said neutralist Premier Prince Souvanna Phouma had been released from house arrest and leaders of the coup had apologized for their attempt to topple the coalition government.

The dispatches said the rebel leaders also apologized to Gen. Phoumi Nosavan, right-wing leader in Laos, who was not linked to the coup.

There was no immediate information on the whereabouts of Souvanna, but he was believed in Vientiane, which was reported calm.

DANIEL WOLFF DIES IN MASS.

Daniel O. Wolff, 83, brother of the late Dr. W. E. Wolff of Arendtsville and a retired pharmacist, died last Monday in the hospital at Melrose, Mass. Funeral services from Melrose Highlands Congregational Church and interment took place last Wednesday, according to word received here.

Among his local survivors are two sisters, Mrs. May W. Trosle and Miss Edith Wolff, both guests at the Eva M. Pape Convalescent Home, Gettysburg R. D., and three nephews, Dr. Bruce (Continued On Page 3)

Damage was estimated at "at least \$5,000" when explosions and fire wrecked the home of Mr. and Mrs. Joseph Hardman, Gettysburg R. 1, Saturday night at 7:15 o'clock. No one was injured.

Gettysburg Fire Chief Robert Hartman said the fire apparently resulted from the explosion of gasoline fumes in the basement of the one-story house located about 100 yards from the Yingling Kennels at Barlow. Barlow and Gettysburg Fire Departments were summoned to the blaze.

The local fire chief said Mr. Hardman had filled his power mower from a gasoline container and then had placed the container in the basement of the house where he was accustomed to keep it. A check made of the gasoline container Sunday showed that it had developed a leak. It was believed that fumes filled the basement and, when a thermostatically operated furnace ignited to heat water for the house, the fumes exploded.

So powerful was the first explosion that the rear stone wall of the house fell to the ground and other parts of the stone wall was pushed several inches from the frame.

With the explosion came fire, which swept through the basement of the house, setting fire to articles in the cellar including some mattresses and tires, which gave off a smoke so thick firemen had to use masks to enter.

At the time of the first explosion Mrs. Hardman with her two children, Lisa, 3, and Ruby, 1½, was in the living room of the house and was dressing the children in their night clothes preparatory to putting them to bed. Mr. Hardman was mowing grass outside the house. Mrs. Hardman fled with the children to the outdoors and had just reached safety when a second explosion occurred, blasting out the picture window from the living room near which the baby had been lying while the mother garbed the other child.

FIRE, SMOKE DAMAGE

Before they could bring it under control, the fire had badly charred joists in the basement and the stairway to the basement, firemen said. A number of windows were blown out of the building. Smoke damaged living room furniture. Doors to other rooms of the home were closed and little smoke damage occurred in those rooms.

any wrong doing . . . "was a matter of misunderstanding rather than dereliction of duty"; the "punishment imposed was not warranted by the evidence presented at the hearing."

Masemer's petition to the court noted that he served as chief of police in McSherrystown from 1945 to March 8, 1964, and that from 1945 to 1957 he was the only police officer in the borough.

According to the petition he was suspended as chief of police March 9, with the suspension to be until the next meeting of council, March 23, although no written charges were furnished. As a result, Masemer refused to appear at the council meeting March 23. Council at that time adjourned to April 10.

On March 25 Masemer was "served with written statement of charges signed by Edward DeCheubell, mayor of McSherrystown, accompanied by a notice signed by George B. Neiderer, president of council, advising him that 'you may demand a public hearing if you so desire.'"

On March 30 Masemer received notice council would hold a closed meeting April 3 to hear the charges against him. On that same day he notified council in writing that he demanded a public hearing and on April 2 he again notified council that he demanded a public hearing. April 3 council held a closed meeting and heard the charges, with the testimony transcribed by Mrs. Elda Neth of Gettysburg. April 6 Masemer was advised that borough council, with Councilman Donald P. Krepps abstaining, in executive session, had decided to suspend Masemer from active duty for 30 days from April 4 through May 3 and that he was to be reinstated May 4 as a patrolman and not as chief of police.

Maryland State Police and Emmitsburg Police Chief Wilmer "John" Law, who was called to the scene to assist, said Gartell apparently was walking in the middle of the road during the fog and rain.

Norman A. Kelsey, 30, Alexandria, Va., and his wife, who was a passenger in his car, said they did not see Gartell until he "loomed out of the fog" directly in the path of their auto. The car carried Gartell about 50 feet before it came to a stop.

He presented the Junior Miss Story which, in part, read: "The purpose of the America's Junior Miss Pageant is to honor the nation's ideal high school girl. Special emphasis is placed on character, citizenship, leadership, ambition and lady-like poise and demeanor."

The program opened with an

organ interlude by Miss Judy Myers and Barry Wisotzky, both of Littlestown, followed with a parade of all contestants. A welcome was extended to the large audience by Amos L. Special entertainment consisted of a soprano solo by Miss Linda Hess, Littlestown High School Junior, accompanied on the piano by Herbert J. Sell. A piano solo was played by Miss Dorinda Clark, Bendersville, talent from last year's pageant. The various phases of competition and presentations completed the program. As a finale the "1965 Junior Miss" met her subjects as she promenade through the audience. Organ background music during the program was by Herbert J. Sell.

General arrangements for the pageant were in charge of Marvin F. Breighner, chairman, P. Bernard Weaver, Richard E. Selby, Chester S. Byers, Ronald Hedges, Herbert Sell and Harry D. Feaser. Bernard Weaver headed the ticket and usher committee; Ronald Hedges was chairman of the stage committee, and Howard O. Myers was chairman of the advertising committee. The Littlestown Club is the only Lions Club in Pennsylvania. This is the club's major fund raising project of the year for the benefit of the community betterment fund. Appreciation was extended to Mrs. Greta Hand, Gettysburg, a former professional model, who assisted in the production.

The pageant program featured a cover picture of Betty Lou Sell as well as advertising and other pageant information. A ship theme was carried out in the decorations. The contestants came on stage from on board a yacht; later they were seen in the ship's bedroom and then the ship's recreation room.

ONE HUNDRED YEARS AGO

The malicious mischief practiced in this place almost nightly should be stopped once. Even thieving is becoming common. The "Borough Fathers" have the remedy in their hands — why not endorse it? Something must be done in this matter by somebody or the evil will become altogether insufferable, if not unmanageable.

A bill is about to be introduced into the Pennsylvania Legislature authorizing the Governor to provide and present to General Meade a gold medal, and a suitable testimonial to the Pennsylvania officers, noncommissioned officers and privates who participated in the battle of Gettysburg.

Burns Votes For Grant: At the New York Sanitary Fair, on Friday evening, Burns, the Gettysburg farmer, stepped up to the book in which the votes for the army sword, to be presented to one of our generals are registered, and entered his vote for Lieutenant General Grant.

Lieut. Gen. Grant has, by general order, notified all soldiers, citizens and other non-combatants to move to the rear on or before the 16th, because of the approach of the "time when this army may be expected to resume active operations." The order means that he may move any time after 16th; that he doesn't care who knows it, and that he will have none but fighting men with him when he does move.

Large Sale: The Mont Alto Iron Works have been sold by Major Hughes for \$250,000; and a new organization is about to be formed to operate largely on the premises. A railroad will probably be constructed from the ore mines to Scotland and the manufacture of iron will be commenced on a large scale. Maj. Hughes still retains an interest.

SEVENTY-FIVE YEARS AGO
The First Anniversary Of The Adams County Historical Society: This will take place on the first Monday in May, being the 6th of the month. The Society at its last monthly meeting voted to have this meeting in the Court House in the hope of thereby stimulating public interest in the work, and of giving those members and others who reside in the country an opportunity of attending. Two papers are in course of preparation and will be ready. One by William McSherry Jr., Esq., will trace the progress of the movements in the cause of Temperance in the county from the year 1800 to the present time. This, in view of the pending question, will be of special interest. Another by Mr. McPherson, the President of the Society, will be devoted to the story of the struggle for the creation of Adams county and the selection of Gettysburg as its seat of justice. This will go back to 1789, when the contest began, and extend up to 1860 when it closed. These most interesting events have never been fully treated, and cannot but deeply interest all historical inquirers. There were ten points, besides Gettysburg, discussed as sites for the county seat. Of these, three are not distinctly known. All were East of Gettysburg and most of them were West of the Little Conewago. No struggle for a new county in Pennsylvania has about it a title of the historical interest which clusters around our own — whether

Today's Talk

WITHIN REACH

So much of the unhappiness and dissatisfaction in the world is caused by people wanting that which they cannot reach. Often they travel far — thinking they can reach the object of their desire. A few do. But the many gain happiness most, and best, by searching out the rich things near at hand.

"Sir," said Dr. Johnson, "to seize the good that is within our reach is the great art of life."

It was Browning who said that our "reach should exceed our grasp." Which is but another way of expressing aspiration. Certainly we should reach out, but first we should learn the great art, as Dr. Johnson has so well said, of seizing "the good that is within our own reach."

Your best friend may be right next you — and you not knowing! One does not have to move to a big city to prove his ideas. William Allen White and Elbert Hubbard both made their small towns of Emporia and East Aurora famous — because their minds reached out, but that reach first took hold first where they were.

All good is universal. But the good that is nearest each of us is our best. We can light "a little candle" and its beams may spread far. We are never able to measure, or appraise, the full value of influence. It keeps spreading in the most fantastic manner, "its wonders to perform."

What an experience it is to run across an interesting human being, in some hotel, on a train, or in a gathering, thousands of miles from home only to discover that that one lived next door to us, or within easy reach. A friend of mine, who became a big manufacturer of candies, first began to make them in a small basement of his home town and sold them to the people he knew.

Nothing is more natural than the desire to expand, to enlarge one's sphere of activity and usefulness, but the most valuable step to take in this direction is to "seize the good that is within our reach."

SELF-IMPORTANCE

The man was very serious and pompous and imperious. A most important citizen beyond the slightest doubt. For grown-ups always bowed to him, and flatterers how-fowed to him. While seekers after favors used to follow him about.

One day the wind his hat blew off and with it down the street flew off. It bowed it over curb and track, as if it didn't know, or knowing didn't care at all that great men cannot bear at all. To have their shining hat removed by the winds that blow.

But even more disturbing was the fact that on the curbing was a little boy of seven or eight who dared to laugh aloud. A little chap supremely bright, who thought it was a funny sight. To see a hat being chased by one so very stiff and proud.

Big man, remember any day the wind can blow your hat away and set you running after it, as commoners must do. And though in deference to your pride, their mirth the grown-up flatters hide, Not caring who or what you are a child will laugh at you.

LONDON (AP)—Queen Elizabeth II named her infant son Prince Edward Antony Richard Louis. Buckingham Palace said he would be known as Prince Edward.

Edward is the name of the queen's uncle, the Duke of Windsor. However, a palace spokesman would not discuss whether the baby had been named for the former King Edward VIII.

DODGERS ARE TENTH AFTER LOSING FIFTH

By CHARLES MAHER
Associated Press Sports Writer
LOS ANGELES (AP)—You almost have to go back to the first Patterson-Liston fight to find a defending champion who got off to a less auspicious start than the Los Angeles Dodgers have this season.

In fact, it's about time someone suggested, a few weeks earlier than usual, that Dodger Manager Walter Alston will be issued a job-hunting license if his club doesn't soon improve its position, which today happens to be 10th.

That means the Dodgers have fallen behind the New York Mets, which is almost as hard as finishing 11th in the Big Ten.

BOW TO BRAVES

"You mean nobody's written yet that I'm going to be fired?" Alston inquired Sunday after the Dodgers extended their losing streak to five games by blowing a 3-2 decision to the Milwaukee Braves in a dozen innings.

"Sometimes," Alston said, "you get 11 hits and 11 runs. This time we got 11 hits and two runs. Those things even out over the season."

The two runs to which Alston referred happened to be the only two the Dodgers have scored in their last 26 innings. That's an average of about two-thirds of a run per game.

The Dodgers were shut out the last five innings Friday night and came within an out of suffering a no-hit loss when they were beaten 3-0 by Cincinnati Saturday night.

Jim Maloney held the Dodgers hitless the first six innings Saturday, then had to retire because of a pulled muscle in his side. John Tsitouris took over and didn't give up a hit until Frank Howard dribbled a cheap single past the mound with two out in the Dodger ninth. It was the only hit the Dodgers got and Howard felt obliged to apologize for it later.

BARONS EDGE QUEBEC 5-4

By THE ASSOCIATED PRESS
The streaking Cleveland Barons are two victories away from a clean sweep of the American Hockey League playoffs.

The Barons edged Quebec 5-4 Sunday afternoon on Dick Mattiussi's goal with 61 seconds to play. The victory was Cleveland's second straight on the Aces' ice in their best-of-seven final series for the Calder Cup.

The series shifts to Cleveland for Wednesday's third game and the fourth on Saturday. The home ice advantage puts the Barons in good position to complete a rare nine-game sweep. Cleveland finished third in the Western Division in regular-season play, then knocked off Rochester in two games and Hershey in three to reach the finals.

The Barons trailed 3-0 early in the second period Sunday before goals by Bob Ellet, Guy Rousseau and Joe Azura evened the count. The teams exchanged goals in the third period before Mattiussi's game-winner.

Cecil Hookstra was the other Cleveland scorer. Bill Sutherland, Leon Rochefort, Wayne Hicks and Cleland Morton tallied for Quebec.

Roosevelt Brown Jr., bulwark of the New York Giants' offensive line, scales 255 pounds.

MAE MURRAY, FORMER STAR, LOST MILLIONS

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP)—She is a familiar sight as she hurries down the street, her corn-silk hair tucked under a large hat, her tiny frame wrapped in a bulky coat. She takes short steps in heels so high as to seem precarious, yet she moves with a dancer's grace.

Mae Murray is a part of the legendary era of Hollywood's '20s, when stars lived above the crowd and married princes.

Six weeks ago police found her wandering in St. Louis. Friends brought her back to the apartment where she has lived for the past year and where she gave an interview.

HEYDAY ON SILENT SCREEN

Miss Murray remains a handsome woman, stylishly dressed with makeup expertly applied, her lips less bee-stung than in her heyday on the screen. That was during the period of silent films, although she made eight talkies, including one in 1951.

"But you don't have to keep making films to remain a star," she said. "You can go in and out."

Her most famous role was as "The Merry Widow" to John Gilbert's dashing prince in the 1925 version of the operetta classic. She remembers it fondly.

ENJOYED SPENDING

She still loves to dance, and she sometimes goes out with friends to the night spots in town.

In 1926 she figured her worth at \$3 million. Ten years later it was gone. She was asked if she had any regrets.

"No, none at all," she replied. "I spent a great deal of money, but I spent it well. I enjoyed every bit of it."

Ballot Burning Brings \$50 Fine

WARMINSTER, Pa. (AP)—State Rep. James J. A. Gallagher, D-Bucks, has been fined \$50 and \$9 costs after pleading guilty to burning Democratic sample ballots near a Bucks County firehouse. He was found innocent of a second charge of disorderly practices.

The fine was levied Saturday at a hearing before Justice of the Peace Joseph F. Stanley in Warminster Township.

The sample ballots were burned on the lawn of the Hartsville Fire Company April 12 during a political rally in the firehouse. A dispute broke out between Gallagher and Ralph O. Samuel, a Democratic candidate for Congress.

Gallagher said Samuel refused to endorse Justice Michael A. Musmanno of the State Supreme Court for the Democratic nomination to the U.S. Senate.

Photo Film Is Added To Museum

NEW YORK (AP)—A documentary film, "Frontiers of News," produced as a tribute to press photographers who serve beyond the call of duty, was accepted Saturday by the Museum of Modern Art as part of its film library.

The movie uses hundreds of Associated Press still pictures to tell a story of recent dramatic news events, including the racial crisis, Viet Nam and the assassination of President John F. Kennedy.

It was produced by Willard Van Dyke, a leading maker of documentary films for 25 years.

Newspaper headlines are substituted for a narrator's voice, but an unusual musical score is featured.

The film will be shown publicly for the first time today at the annual meeting here of members of The Associated Press.

JOHNSON HAS DANCING TIME

By HARRY KELLY
WASHINGTON (AP)—For a short time President Johnson had the nation's editors—and their wives—dancing to the White House's tune.

Johnson invited the 1,000 or so wives and delegates to the American Society of Newspaper Editors convention to the executive mansion for a reception Friday.

After introducing his family and giving a speech in the flower garden in which he said he wants his administration to kindle "a flaming spirit of adventure," he led the way to the East Ballroom.

He stayed on the dance floor for an hour and 20 minutes, ordering the six-man band to keep up a steady flow of fox trots and waltzes so that he could dance with as many of the wives as possible.

At one time the crowd edged in so close to watch the President and the others that several White House policemen were called to clear the way for the dancers.

Mrs. Johnson also made a few rounds of the floor before moving off to greet some of the guests.

Jimmie Dykes, who managed Cleveland in 1961, and Mal McGaha, who led the Indians in 1962, are putting in their second straight seasons as coaches with the Kansas City Athletics.

No-Strike Clause In New Agreement

CAPE KENNEDY, Fla. (AP)—A no-strike clause is included in a new three-year labor stabilization agreement signed to cover Cape Kennedy, the Merritt Island moonport and Patrick Air Force Base.

The agreement was signed Thursday in Washington, D.C., by representatives of the AFL-CIO and the Patrick Air Force Base Contractors Association, the National Aeronautics and Space Administration announced Friday.

The agreement is retroactive to April 1, when a previous two-year pact expired. It continues the prevailing wage scale provisions of the earlier pact.

Walkouts and work stoppages crippled Cape Kennedy and Merritt Island earlier this month.

3 MEN KILLED IN TRUCK CRASH

NEW MILFORD, Pa. (AP)—Three young men were killed Friday night when their convertible hit a tractor-trailer three miles south of this northeastern Pennsylvania community near the New York state line.

State police identified the dead as Joe Sullivan, 24, of Washington—formerly of R.D. 3, Montrose—believed to have been the driver; Ronald J. Sanner, 26, also of Washington, and Rodney Allen Merchant, 22, whose home town was listed tentatively as Portsmouth, N.H. Merchant was in the Navy.

The truck driver, Vernis Cook, Syracuse, N.Y., was injured. He is reported in fair condition in Binghamton (N.Y.) General Hospital.

State police said Sullivan and Sanner were on a fishing trip. The Pennsylvania trout season opened officially today.

ma's rocker?

The answer: Wear the lace, but in a stunning hat. It would be good for your morale. And do sit in a rocker, for it would be relaxing. High morale and relaxed nerves are among the best antidotes for mature-skin problems.

Another good one is to keep looking in "that" magnifying mirror. Every woman should. Just so, skin problems are detected and can be treated before they become serious.

Possible developments are wider in scope than lines and brownish spots. The skin may become lax, sallow, thin and parchment dry. Sometimes difficulties stem from internal causes, such as the decline of circulation and glandular activity. Sometimes the external abuse of the skin accounts for deterioration.

Expert opinion has it that much aging is largely weathering—from sun and improper handling. When you put all the causes together, you get a good line on preventive and remedial treatments. In capsule, they add up to: Check with your doctor . . . Avoid sunburn, even tan . . . Take the use of properly formulated moisturizers and emollients . . . Handle your skin with a feather touch, as you would a baby's. Yours is more easily destructible.

WOMEN PLAY AT PINEHURST

PINEHURST, N.C. (AP)—Nancy Roth and Barbara Fay White, each with hopes of receiving a bid to represent the United States in Curtis Cup competition against the British team next September at Porthcawl, Wales, headed the opposing sides of the draw in the North and South Amateur Golf Tournament that opened today. Victory here would boost their chances considerably.

Miss Roth, from Hollywood, Fla., begins defense of her title Tuesday. She and Miss White were among the six players in the field of 26 who received first-round byes. Others were Mrs. Ann Stranahan, Mrs. Helen Sigel Wilson, Mrs. H. S. Semple and Phillis (Tish) Preuss, member of the 1962 Curtis Cup team and runner-up here last spring.

Miss White, 23-year-old daughter of a Shreveport, La., golf pro, has won four of five Florida winter tournaments this year.

28 State County Chiefs Predict Scranton Will Be Nominated By Republicans

By LEE LINDER
Associated Press Writer
PHILADELPHIA (AP)—Nearly all of Pennsylvania's Republican county chairmen—actually 58 out of 67—today favor Gov. Scranton for the GOP presidential nomination.

And an Associated Press survey also discloses that 28 of the state GOP chairmen believe Scranton will be named the party's standardbearer at the national convention in San Francisco next July.

This is the third AP poll on the question and it records a strong shift in sentiment for the presidency, most of it toward Scranton who has said he will lead the Keystone State delegation only as a "favorite son."

GOLDWATER FADES

Arizona's Sen. Barry Goldwater led the first poll last October with 38 votes. Scranton received 11 votes. This time Goldwater received two votes.

The second AP survey, following the assassination of President Kennedy, found Goldwater with eight votes and Scranton with 12.

On the question, "Who is your personal preference for the nomination?" these were the votes this time:

Scranton 58, Goldwater 2, Richard Nixon 4 and undecided 3.

Opinion was more sharply divided on the second question: "Whom do you believe the convention will nominate?" These results were:

Scranton 28, Nixon 10, Henry Cabot Lodge Jr., Gov. Nelson Rockefeller of New York 1, Goldwater or Nixon 2, Lodge or Nixon 4, Scranton or Lodge 2, Scranton or Rockefeller 1, Scranton or Goldwater 1 and undecided 13.

NOT A CANDIDATE

In the first poll, Goldwater was picked by 16 chairmen as

the probable nominee. He had three votes in the second poll on the question.

Scranton, who has said over and over that he is not a candidate but would accept an unopposed nomination, was picked as the probable nominee by 14 chairmen in AP's first poll, and by 19 in the second.

Lodge in the first poll wasn't even mentioned, and picked up two votes on each of the questions in the second survey. Rockefeller, an avowed candidate for the nomination like Goldwater, had two votes in the previous polls.

PERKINS WINS OVER GRANT

KINGSTON, Jamaica (AP)—Eddie Perkins, world junior welterweight champ from Chicago, can start enjoying this Caribbean resort today now that he has successfully defended his crown.

Perkins had been busy preparing for his fight with Bunny Grant, the British Empire lightweight champ. His unanimous decision over the young Jamaican Saturday night was a study in fine conditioning.

The 27-year-old champ, suffered a badly cut eye but still closed with a strong surge, sweeping the last four rounds. He held a wide margin on the cards of the two judges and referee Willie Pep, the former featherweight champ.

It was Perkins' second defense of the year and ran his career record to 31-9-1. Grant, hometown favorite with the 25,000 fans who watched the bout at the outdoor National Stadium, lost his sixth start in 48 fights.

SCOTT OFFERS PRAYER PLAN

WASHINGTON (AP)—Sen. Hugh Scott, R-Pa., proposed today his own version of a constitutional amendment to permit Bible reading and prayer in the public schools.

Similar resolutions calling for a constitutional amendment have been introduced in both the House and Senate. They differ only in wording.

All are aimed at recent Supreme Court decisions which barred prayer and Bible reading in the schools when directed by a local school board or a state board.

"There is no element of compulsion in my proposal," Scott said in a statement accompanying the planned introduction of his resolution. "It would enable children who so desire to participate in prayer and Bible reading in their classrooms. Those who are opposed would not be compelled to participate."

The House Judiciary Committee will begin hearings Wednesday on scores of similar proposals introduced in the House.

News Briefs

PHILADELPHIA (AP)—Drew J. T. O'Keefe, U.S. attorney for the Eastern District of Pennsylvania, will receive the 1964 Dean award of the Philadelphia Press Association on May 5. O'Keefe is being honored for his leadership in prosecuting the Cosa Nostra case and for his continued understanding of the problems of newsmen, association officials said.

NEW YORK (AP)—Gov. William W. Scranton of Pennsylvania finished fourth on the first ballot of a mock Republican convention of college students nominating a presidential candidate. He drew 90 votes. The students nominated Henry Cabot Lodge, U.S. ambassador to South Vietnam, on the second ballot. Some 350 students of political science from 24 colleges participated at Brooklyn College over the weekend.

BLOOMSBURG, Pa. (AP)—Diane Quandel, 21, of Minersville, will represent Columbia, Montour, Northumberland and Schuylkill counties in the Pennsylvania competition for the Miss America pageant. Miss Quandel, a senior in business education at Shippensburg State College, was selected Miss Eastern Pennsylvania in competition here Saturday night. She is 5-9, weighs 135 pounds and has dark brown hair and hazel eyes. The Pennsylvania finals will be held in West Chester in June.

STROUDSBURG, Pa. (AP)—James Moore, president of Camelback Ski Corp., announced over the weekend a two-year, \$400,000 expansion program, including a second chair lift, new trails and a new area for beginners. Plans also call for doubling the size of the base lodge at Big Pocono Mountain. Moore also said the area will be developed as a summer tourist attraction.

Meet On Schools At Chester Today

CHESTER, Pa. (AP)—The Pennsylvania Human Relations Commission arranged a meeting today with civil rights leaders and city school board authorities to discuss alleged racial imbalance in schools here and, as a result, rights leaders called off a planned boycott.

Stanley Branche, chairman of the Chester Committee for Freedom Now, declared a one-day moratorium in the school boycott and sit-in demonstration in line, he said, with announced policy to halt demonstrations in the event of "fruitful negotiation."

"If this thing falls through, like it usually does," said Branche, "then we will intensify the very next day and keep it up and keep it up until we get total or complete freedom."

There was no demonstration Sunday although more than 800 persons attended a meeting.

MAPLE LEAFS ARE FAVORED

TORONTO (AP)—The strong-finish Toronto Maple Leafs were heavy favorites today to retain the Stanley Cup after blitzing the Detroit Red Wings Saturday night and squaring the final playoff series.

Toronto's 4-2 come-from-behind victory at Detroit evened the best-of-seven series at two games apiece. The fifth game will be played here Tuesday, the sixth at Detroit on Thursday. The seventh—if necessary—will be at Toronto on Saturday.

Coach Punch Imlach used his Leafs like shock troops Saturday as he juggled his lines five times in the opening six minutes of play to throw the Detroit defense off stride. The Leafs dominated play throughout the first period with Detroit having an edge in the second, which ended 2-2.

It was in the third period that the Leafs showed their ability as stretch runners. Andy Bathgate, a late-season acquisition from the New York Rangers, broke loose and put Toronto ahead 3-2 at the 10:55 mark. The Wings then saw ever-dangerous Frank Mahovlich lead the Leafs insurance goal at 18:07.

2. AUTOMATIC TIMING—Set timers from 5 minutes to 2 hours time the burning cycle for dry, damp or wet refuse. This timer lights the burner and shuts it off automatically at a pre-set time.

3. COMPLETE DISPOSAL—Gas flames burn garbage and trash completely...consumes bones, paper, pests, everything burnable...no worry about clogged plumbing with a Gas incinerator.

4. SMOKELESS, ODORLESS—Any leftover smoke is drawn over a second burner where the gas flame completely consumes the smoke, fly ash and all odors. Clean, smokeless, odorless air is exhausted out the flue and into the chimney.

5. NO MESS—A fine, gray cigarette-type ash is collected in a convenient pull-out drawer. Depending on your usage, it need be emptied only a few times a month.

6. MODERN DESIGN—New Gas incinerators are designed and styled as modern as the other appliances in your utility room.

The addition of a smokeless, odorless Gas incinerator to the modern home eliminates, once and for all, the bothersome problems of disposing of garbage and burnable trash. You will never again have to trudge outdoors in snow and rain to empty the garbage.

New smokeless, odorless Gas incinerators are available in this area at appliance stores, department stores, plumbing and heating contractors.

For complete information on the new Gas incinerators, call your local Gas Company office.

RESCUE UNIT SAVES 7 BOYS

HARRISBURG (AP)—Those seven kids from Lycoming College gave it another go on the Susquehanna River this past weekend. But they still couldn't make it on their raft to Harrisburg.

About a week ago, the students began a "sentimental" journey on their raft down the river from Williamsport to Harrisburg.

They abandoned their plans at Perdis, about five miles northwest of the state capital.

Last Saturday they decided to relocate their raft and finish the trip, but this time their raft abandoned them.

HOPE SENATE MAY VOTE ON AMENDMENTS

By EDWIN B. HAAKINSON
WASHINGTON (AP)—Senate leaders are hoping for a first vote on the civil rights bill late this week.

Sen. Hubert H. Humphrey, D-Minn., floor manager for the House-passed measure, wants a test on some of the 35 amendments on file.

"We've got a sit-in in the Senate by the filibusters," he said in an interview as the Senate headed into a seventh week of debate. "We should ask them to help conduct business in the proper and responsible manner we want demonstrators to follow."

NO SIGNS YET
Humphrey said he expects some voting Friday or Saturday.

There is no sign, though, that the 19 Southern senators opposed to the bill are ready to let up on their verbal protests against it.

For its 35th consecutive session on civil rights, the Senate was called in two hours early and expected to meet into the night, as was the case last week.

MAY EXTEND SESSIONS
Humphrey hinted at round-the-clock sessions last week but made no advance effort to extend them today. Both Democratic Leader Mike Mansfield and Republican Leader Everett M. Dirksen have said they don't favor marathon sessions.

So far debate has been at a monotonous pace most days with a cheerful exchange of courtesies between opposing camps.

For example Mississippi's two senators, Democrats John Stennis and James O. Eastland, alone were able to dispose of the Friday and Saturday sessions. Technically, Stennis held the

Thieves Loot Office Of Federal Bonds

PHILADELPHIA (AP)—Burglars got away with loot valued at more than \$190,000 but apparently it will do them little good, officials of the Metropolitan District Council of Carpenters believe.

Most of the loot reported taken in Thursday night's burglary were government bonds. There was also \$1,700 in cash taken from the council's safe in its Frankford office.

Robert H. Gray, secretary-treasurer for the council, said the bonds were in \$10,000 denominations and therefore would be "virtually impossible" to negotiate because of their size.

Gray said he immediately notified the Federal Reserve Bank to halt payment on the 19 bonds.

Cubans Stowaway On Greek Freighter

MIAMI, Fla. (AP) — Three Cuban refugees said today they escaped from their Communist country by stowing away on a Greek freighter.

"We hope to return soon as part of an invasion force to liberate the captive island," said Enrique Botano Fernandez, 28, a chemical plant worker.

The three, all from Havana, said they were put off the "North Queen" when it reached Chimbote, Peru. They remained in Peru 68 days, and arrived in Miami Friday by plane.

For more than 12 hours Friday simply by getting unanimous consent to yield to 50 other senators for speeches of varying lengths. Quorum calls occupied part of the time.

Eastland used the same tactics for a session of slightly more than five hours Saturday.

Most of Saturday fewer than six senators were on hand as Eastland read a long speech. Leaning at times on a stand on his desk, he talked slowly in tones so soft it was difficult to hear him from the galleries.

CRITIC LIKED CARNEY SHOW SUNDAY NIGHT

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK (AP) — Walter Matthews was a middle-aged widower, worried about his work, shut out of his children's busy lives—a desperately lonely man.

One evening, after a particularly disturbing and frustrating day, he mistook poison for a headache remedy. Helpless and believing he was dying, he reviewed the events of the day—his last—only to find the events he thought important really were not and wishing that he had handled about every human contact differently.

Recommended tonight: "The Outer Limits," ABC, 7:30-8:30 EST — "Production and Decay of Strange Particles," way out science fiction.

Ritchey Winner At Williams Grove

MECHANICSBURG, Pa. (AP) — Junior Ritchey of Everett won the 25-lap modified stock car feature race at Williams Grove Speedway Friday night.

Minor mishaps forced several restarts, resulting in no winning time being recorded. A crowd of 5,300 saw Ritchey overtake Gene Goodling, Stoverstown, on the 17th lap and maintain a slim lead to the finish.

Goodling lost second place to Bobby Abel, Wrightsville. Goodling was third, followed by Leroy Felty, Jonestown, fourth, and Bud Folkenroth, Seven Valleys, fifth.

3 CRITICALLY INJURED
TRENTON, N.J. (AP) — A young mother of two children was killed and a companion critically injured today when their car smashed into a pole at the intersection of Routes 33 and 130 in nearby Robbinsville.

State police identified the dead woman as Mrs. Jeannette Luciano, 24, of Trenton, the driver. A passenger, Mrs. Margaret Chiacchio, 27, also of Trenton, was taken to St. Francis Hospital in critical condition.

Marine Pfc. Allen Williams, 17, of Akron, Ohio, said he was dozing in a seat near the front when he looked up suddenly to see the bus driver trying to swerve away from the accident.

He said one of the dead women, he didn't know which, was also asleep and probably did not know what his her.

Williams said a back window was broken so passengers could get out.

Lobbyist Reports Expenses Of Job

FRANKFORT, Ky. (AP)—The tribulations that can pop up in the life of a legislative lobbyist were reflected in an expense report.

A northern Kentucky man, who represented a labor organization, told the attorney general's office his expenses included seven fifths of whisky, \$32.90; one eight-pack of beer, \$1.50; drinks at a bar, \$19.50, and one topcoat, lost or stolen, \$49.39.

TRUCK STRIKES BUS SUNDAY; 2 DIE, 20 HURT

PITTSBURGH (AP)—A jack-knifing chemical tank truck slammed into a loaded Greyhound bus in nearby East Pittsburgh Sunday killing two women and injuring at least 20 other persons.

East Pittsburgh Police Chief Vince Berkleick said the truck either skidded or its brakes locked on the rain slick approach to Westinghouse Memorial bridge.

Its empty tank swung across the roadway into the path of the oncoming bus. It ripped open the front left side of the bus over a five-seat area.

Killed were Mrs. Julia Salada, 59, of Washington, D. C., and Mrs. Chester Henry, 75, of suburban Penn Hills. Mrs. Henry was enroute to Washington for a convention of the Daughters of the American Revolution as were many of the other 31 passengers aboard.

Seventeen persons were detained at hospitals. Fourteen were examined or treated for minor injuries and released.

The bus driver, Samuel Weist of suburban Glenshaw was admitted to a hospital in serious condition. At least one other person also was in serious condition.

GOLDWATER, NIXON LEAD IN U. S. POLL

NEW YORK (AP)—A nationwide poll of Republican county chairmen and other party leaders named former Vice President Richard M. Nixon as the most likely winner of the 1964 GOP presidential nomination.

Sen. Barry Goldwater of Arizona, however, was far ahead as the personal preference of the 1,606 persons participating.

The survey was the third such poll taken by The Associated Press.

In the survey, which began April 1, correspondents in 50 states and the District of Columbia questioned more than 3,000 county chairmen, vice chairmen, town leaders and other party officials.

There were two parts in the questionnaire—"Who is your personal preference to be the nominee?" and "Whom do you think the convention will nominate?"

Here are the results:

Goldwater—427
Lodge—189

MAYS LANDING, N. J. (AP)

George Patton, 64, and his wife, Ruth, of Springfield, Pa., were killed Sunday afternoon in a four-car crash on the Black Horse Pike near here.

Miss Carol Przybycien, 20, of Philadelphia, identified by police as a driver of one of the cars, was injured critically.

Phillips 66 Trop-Artic® outperforms other great oils regardless of price!

Here's proof!

In recent tests, here's how Trop-Artic compared with 6 of the other great motor oils in the world

	TROP-ARTIC	OIL "A"	OIL "B"	OIL "C"	OIL "D"	OIL "E"	OIL "F"
HIGH TEMPERATURE TEST	1	6	3	2	4	5	4
SLUDGE TEST	1	1	3	5	2	4	1
RUST TEST	1	6	3	4	5	2	5
SHEAR TEST (SAE IN VISCOSITY AFTER TEST USED)	1	1	5	2	3	4	4
STARTING TEST	1	2	1	3	1	1	1
OVER-ALL RATING	1	3	2	3	2	3	2

Our research scientists at Phillips 66 are pretty conservative fellows. They're not apt to go overboard about anything.

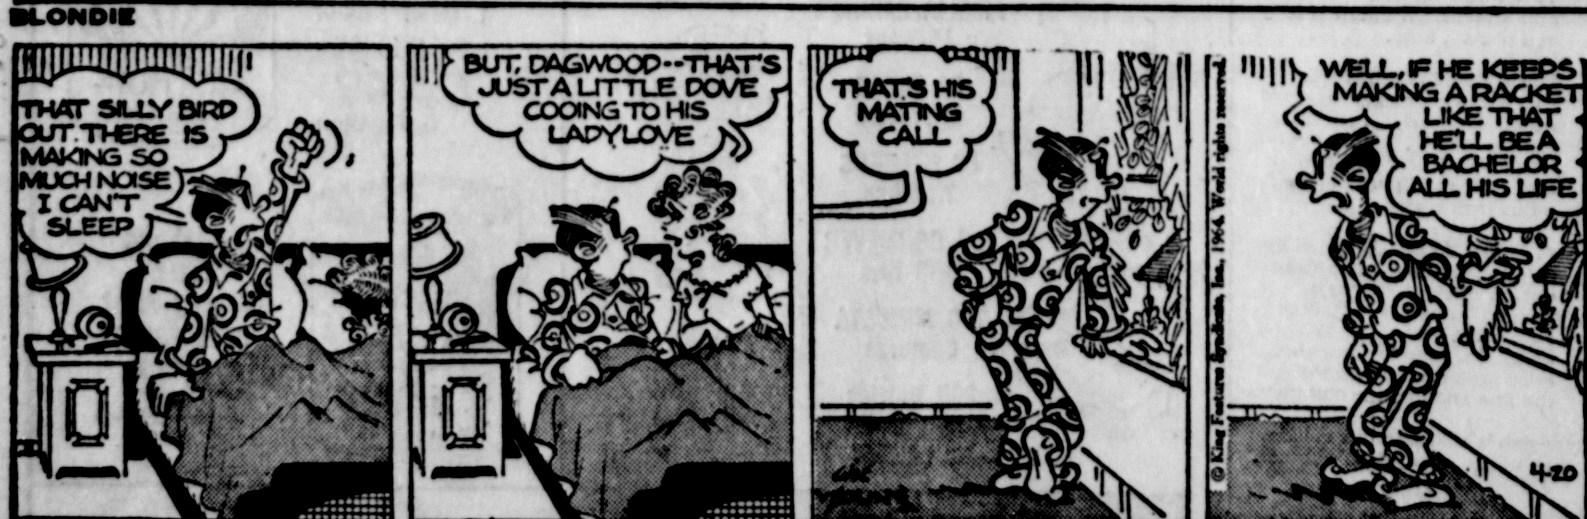

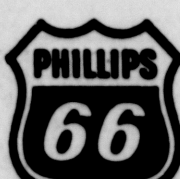

But when they developed present Trop-Artic, they said it was the greatest motor oil they'd ever seen. No if's, no and's, no but's. The greatest. So we had this Trop-Artic tested against six other great long-mileage motor oils—including some that cost up to \$1.00 or

more a quart. These recognized tests included established standards set by the Automotive Manufacturers Association.

As you can see in the chart, Trop-Artic won hands down. In over-all performance, none of the other oils were in the same league. So it really adds up to this: You can pay more for other motor oils—a lot more. But why? Trop-Artic is in a class by itself.

P. S. If you'd like a free illustrated brochure giving details of the tests, just drop us a line: Motor Oil Division, Phillips Petroleum Company, Bartlesville, Oklahoma.

GIVEN AWARD AND THEN DIES

PHILADELPHIA (AP)—While an audience of 800 applauded, Joseph Ferko, 69, received a plaque Sunday night honoring him for 50 years service as a Mummer and said, "Thank God I was here to receive it. I hope I will be here 50 more years."

Then Ferko collapsed and died the victim of an apparent heart attack.

He was a founder of the Ferko String Band, one of the groups or Mummers that annually salute New Year's Day with a colorful parade.

Ferko started marching in the traditional Mummers Parade in 1915 and missed only two of the parades since. In 1923 he formed his own band, which has been one of the big winners in the annual parade.

Ferko, a retired pharmacist and former one-time state representative, is survived by his widow, two stepsons, a stepdaughter and brother and sister.

FAVORS MORE PARKS IN PA.

HARRISBURG (AP)—Miss Genevieve Blatt, the three-time secretary of internal affairs bucking the Democratic organization for the nomination to the U.S. Senate, favors the creation of more recreation areas in Pennsylvania.

She said in a statement Saturday that, if nominated and elected, she would push for the creation of two new national parks in the Commonwealth.

One would be an anthracite national park in the hard coal country, the other a French and Indian War national park in Somerset, Fayette and Westmoreland counties, she said.

On another front, Miss Blatt said she considered questions in the background of Justice Michael A. Musmanno, the organization candidate, to be a dead issue.

The questions into Musmanno's place and date of birth and his World War I military record were posed by Sen. Joseph S. Clark, D-Pa., Miss Blatt's principal supporter.

Miss Blatt said the questions had no real relevance to the campaign except as they might relate to Musmanno's "candor and credibility."

Dean "Disgusted" By Penn Students

PHILADELPHIA (AP)—Eight University of Pennsylvania students were called before dean of men Robert F. Longley Monday, presumably to discuss a week-end celebration and demonstration.

About 500 persons, mostly Penn students, staged a demonstration and built a bonfire in the street Saturday. About 40 policemen were called to quell the demonstration, known as a row-bottom at Penn. They reportedly were pelted with bottles.

The nine called before the dean were arrested and fined \$5 and \$2.50 in costs in magistrate's court Sunday.

Pressed for comment, Langley said, "I am disgusted by the whole affair."
